To Whom it concerned

I am writing to express my interest in your current opening for PhD - Doctoral Internship. Please accept my resume for your consideration. With over two years of experience in data mining and machine learning research with Professor William S. Cleveland and Professor BoweiXi, my comprehensive expertise allows me to work efficiently and passionately on data mining with big and complex data. I am confident that my contributions would be a valuable asset.

I have considerable experience in the area of parallel computing with Hadoop and Mapreduce in R, which is RHIEP, and a thorough knowledge of statistical modeling and analysis. I consider myself to a professional, dependable, considerate and hard-working. I have a good understanding of Linux operation system, Python, C, R, SAS, SPSS, Vim, Emacs, and version control (cvs and svn).

My resume, which I have enclosed for your review, contains additional details about my professional expertise. I look forward to the opportunity to meet with you to discuss the qualifications I would bring to your organization. Thank you for your consideration.

Sincerely,

Xiaosu Tong
